Sarasota Manatee Bike Club will have new jerseys by CycleFest!!!

If all goes as planned, we'll be selling our new jerseys at Cycle Fest. The members voted by email and selected the Orange Rider as the new design. We are now in the process of determining sizes so we can get our order placed. The jersey will have raglan sleeves and pockets in the back. Final costs for the jersey will be determined soon and will be similar to what our previous jerseys sold for.

Jean Tyo will be handling the sale of the new jerseys, as well as the other items our club sells. If you want to order a new jersey please contact Jean Tyo jeantyo@aol.com and she'll take care of your order.

Thanks for all of your support!
