Thank you Volunteers

There were 826 paid registrants at Gulf Coast Cyclefest and volunteers, of course, were the key to this success.

You or your fellow volunteer:

- planned, prepared and distributed information
- cleared, marked and supported 6 new routes
- equipped, provisioned and staffed 5 new rest stops and 2 water stops
- sent 100 milers into 4 counties
- supported more than 650 riders onto Fruitville Road to Old Miakka School and back
- organized food and diverse displays at Main Street
- cleaned up, sorted and packed
